- Calendar permissions

About Microsoft Building Blocks

Our Microsoft Building Block training allows you to mix and match any of our short training blocks to create a

customised training day which meets all of your learning needs.

Please note that our Building Block sessions are designed to be combined together to create a unique training day and are **not** stand alone sessions.

About SquareOne

SquareOne is among the UK's leading providers of IT training to businesses of all shapes and sizes. Our company pledge is to deliver inspiring, motivational and cost effective training which brings about tangible improvements in productivity. Through our training courses, individuals are able to gain lifelong skills and realise their full potential while clients achieve their corporate goals.

Course Objectives

This course is designed to teach delegates to use, plan, organise, and share their calendars in Microsoft Outlook so that they can become increasingly organised and efficient

Course Duration

Course Duration: Half Day (Hands On Course)

1.5 hours (Seminar)

Course Contents

The subjects listed on the left are an outline. If there are any additional subjects you wish to cover, please feel free to call us prior to the course.

Training Format

These sessions can be provided in the following formats:

Seminar Format – Maximum of 100 delegates. This seminar will be delivered by a trainer as a demonstration. Session can last between 60 minutes to 90 minutes. If this is to be delivered to small groups then this can be repeated up to 3 sessions per day.

Walkabouts – These can be one-ones or small groups of people trained at their desks using their own PCs or Laptops. Timings to suit. Trainer to be onsite for the full day.

Classroom Training – Small groups of people using their own PCs or Laptops – or these can be provided by SquareOne at an additional cost. Sessions to be 3 hours in length. Can be combined with another session or walkabouts. Trainer to be onsite for the full day.

Clinics – Drop-in centre where a trainer can be onsite for the day and delegates come with problems or queries that they have on Microsoft Office software. Covers – Excel, Word, PowerPoint, Outlook and Windows. Additional software such as Project, Access and SharePoint would need to be arranged prior to booking.
